- The aim is to use Wordle to focus on the most important issues during a presentation.
- And to be able to use a Wordle as an illustration.

#### PRECONDITIONS

It is - as with all other programs - a good idea to experiment with Wordle.net before starting the activity. JavaScript must be installed for Wordle to work.

After creating your Wordle you can print it or save it by making a screenshot.

#### TIP

#### KOMPETENCEKRAV

##### COMPETENCY DEMANDS

Users should be able to:

- Work in small groups.
- Use a computer at a basic level.

#### TIP TIL BRUG I ANDRE SAMMENHÆNGE

Use Wordle in all subjects and projects. E.g. in History for a project about war (words: conflict, weapons, soldiers, bombs, civilians, resistance movement, peace treaty etc.).

#### TIPS TIL EVALUERING

##### EVALUATION TIPS

- Are the users able to decode each other's word clouds?
- Are the users satisfied with the contents and the look of their Wordles? Or should they try to improve them by making new word clouds?

#### HUSK

Udstyr, der skal bruges til aktiviteten:

- Computer and Internet connection (use PC or Mac not tablet or iPad – installation of JavaScript necessary).
